

CBAO Preferred Partner for Merchant Services

CBAO Member benefits for your bank

Additional 5% on the monthly revenue stream.

CBAO Member benefits for your merchants

Merchants receive a 20% discount on all equipment purchases.

Revenue generated on each new account

FiNet provides a referral fee on each approved account along with a shared revenue stream based on your portfolio's performance.

Customized to suit your needs

We'll work with you to determine the type of program that best suits your needs and maximizes your revenue.

No liability

Any liability associated with an approved account will lie with FiNet and our processing partners, *not your bank.*

Program management tools

FiNet provides a convenient online program management system designed to give you access to referrals, reporting, marketing, news and more.

Ancillary payment services available

Cash Advance services and Prepaid cards are just a few of the ways FiNet can create additional revenue streams.

Benefits for your merchants

No monthly minimum | Competitive pricing | Full line of payment solutions | 24/7 customer service | Free review and cost analysis.
